

Test Pattern

Below is a sample foundation pattern. If everything is working correctly, you are now reading this document. The foundation below should measure 6½" × 6½" (dashed lines). Check the sizes with a ruler. Two additional test boxes are shown in gray. If there is a discrepancy between the stated size and the

printed page, please reprint the page and make sure that the Page Scaling selection is set to "None" in the Print dialog box of Adobe Acrobat Reader (see screen shot below, Page Scaling is circled in red). For older versions of Reader, be sure that the "Fit to Page" box is unchecked.
